The perfect gift for the person who has everything!

This year, give your friends and family Gifts that Build: gifts of kindness that will help build a Habitat for Humanity home for a local family. Your gift recipient will receive a specially designed greeting card, a commemorative ornament and the joy of knowing that, because of them, a hardworking family will soon have a decent home of their own.

You’ll know that you’ve given in the true spirit of the season. And no matter how much shopping you do, you will never find a fruitcake or sweater that is tax-deductible.
